Interstate Medical Licensure Compact Commission Issues First License

The Interstate Medical Licensure Compact Commission is pleased to announce the issuance of the first Interstate Medical License. The application process went live on April 6, 2017, and an application was received on April 8, 2017, listing Wisconsin as the State of Principle License. The Letter of Qualification was sent to Colorado on April 19, 2017 with the Colorado license issued on April 20, 2017.

Another application which was received on April 7, 2017 had a Letter of Qualification issued on April 20, 2017 by Wisconsin. The applicant is still deciding which compact state in which they wish to be licensed.
