

Interstate Medical Licensure Compact

May 1, 2019

For Immediate Release

The Interstate Medical Licensure Compact Commission met yesterday, April 30, 2019, and took several actions which include:

- Approved the IMLCC FY2020 Budget;
- Issued a statement that the IMLCC will not levy or assess a fee to member states for FY2020;
- Elected Commissioner Martinez (MN) to the position of Vice Chair, replacing Commissioner Brunson (MS).
- Acknowledged the service of Commissioner Brunson (MS) and Commissioner Zanolli (TN) to the IMLCC. Both commissioners are leaving their respective state member boards and, unfortunately, the result is that both are no longer eligible to serve as an IMLCC Commissioner. Since November 2018, Commissioner Brunson has served as Vice Chair and Commissioner Zanolli has served as Chair of the Audit Committee; and
- Changed the name of the “Bylaws & Rules Committee” to the “Rules & Administrative Procedures Committee”.
