Board of Commissioners  
Interstate Medical Licensure Compact Commission  
Littleton, Colorado  

We have audited the financial statements of the Interstate Medical Licensure Compact Commission (IMLCC), which comprised the statement of net position as of June 30, 2021, and the related statements of revenues, expenses and change in net position and cash flows for the year ended June 30, 2021, and the related notes to the financial statements and have issued our report dated February 18, 2022. We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit in our Engagement Letter dated August 10, 2021. Professional standards also require that we communicate to you the following information related to our audit.

**Significant audit findings or issues**

**Qualitative aspects of accounting practices**

**Accounting policies**

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by IMLCC are described in Note 2 to the financial statements.

As described in Note 2, the entity added an accounting policy related to capital assets. This new policy outlines the definitions of different types of assets and capitalization and useful life thresholds. There was no material impact on this new policy to the overall financial statements, as IMLCC did not acquire any capital assets in the fiscal year.

We noted no transactions entered into by the entity during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

**Accounting estimates**

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no accounting estimates affecting the financial statements which were particularly sensitive or required substantial judgments by management.

**Financial statement disclosures**

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no particularly sensitive financial statement disclosures.

The financial statement disclosures are neutral, consistent, and clear.

**Significant unusual transactions**

We identified no significant unusual transactions.
Difficulties encountered in performing the audit
We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected misstatements
Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management did not identify and we did not notify them of any uncorrected financial statement misstatements.

Corrected misstatements
Management did not identify and we did not notify them of any financial statement misstatements detected as a result of audit procedures.

Disagreements with management
For purposes of this communication, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

Management representations
We have requested certain representations from management that are included in the attached management representation letter dated February 18, 2022.

Management consultations with other independent accountants
In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the entity's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Significant issues discussed with management prior to engagement
We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the entity's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

Other audit findings or issues
We have provided a separate communication to you dated February 18, 2022, communicating internal control related matters identified during the audit.
Other information included in annual reports

Our auditors’ opinion, the audited financial statements, and the notes to financial statements should only be used in their entirety. Inclusion of the audited financial statements in a document you prepare, such as an annual report, should be done only with our prior approval and review of the document. You are responsible to provide us the opportunity to review such documents before issuance.

* * *

This communication is intended solely for the information and use of the Board of Commissioners and management of Interstate Medical Licensing Compact Commission and is not intended to be, and should not be, used by anyone other than these specified parties.

Broomfield, Colorado 80021

This representation letter is provided in connection with your audit of the financial statements of the Interstate Medical Licensure Compact Commission (IMLCC), which are comprised of the statement of net position as of June 30, 2021, and the related statements of revenues, expenses and changes in net position and cash flows for the year ended June 30, 2021, and the related notes to the financial statements, for the purpose of expressing opinions on whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, as of February 18, 2022, the following representations made to you during your audit of the financial statements for the year ending June 30, 2021.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated August 10, 2021, for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP. The financial statements include all properly classified funds and other financial information of the primary government and all component units required by generally accepted accounting principles to be included in the financial reporting entity.

2. We acknowledge and have fulfilled our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

4. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

5. Related party relationships and transactions, including, but not limited to, revenues, expenditures/expenses, loans, transfers, leasing arrangements, and guarantees, and
amounts receivable from or payable to related parties have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.

6. No events, including instances of noncompliance, have occurred subsequent to the financial state date and through the date of this letter that would require adjustment to, or disclosure in, the financial statements.

7. The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statement for each opinion unit. A list of the uncorrected misstatements is attached to the representation letter.

8. The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with U.S. GAAP.

9. Receivables recorded in the financial statements represent valid claims against debtors for transactions arising on or before the financial statement date and have been reduced to their estimated net realizable value.

10. We have no plans or intentions that may materially affect the carrying value or classification of assets, liabilities, or equity.

11. We believe that all material expenditures that have been deferred to future periods will be recoverable.

Information Provided

1. We have provided you with:

   a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters.

   b. Additional information that you have requested from us for the purpose of the audit.

   c. Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.

   d. Complete minutes of the meetings of the governing board and related committees, or summaries of actions of recent meetings for which minutes have not yet been prepared.

   e. Access to all audit or relevant monitoring reports, if any, received from funding sources.
2. All material transactions have been recorded in the accounting records and are reflected in the financial statements.

3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

4. We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
   a. Management;
   b. Employees who have significant roles in internal control; or
   c. Others when the fraud could have a material effect on the financial statements.

5. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the entity's financial statements communicated by employees, former employees, grantors, regulators, or others.

6. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations and provisions of contracts and grant agreements, or abuse whose effects should be considered when preparing financial statements.

7. We have disclosed to you all known actual or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements.

8. There are no other material liabilities or gain or loss contingencies that are required to be accrued or disclosed in accordance with U.S. GAAP.

9. We have disclosed to you the identity of the entity's related parties and all the related party relationships and transactions of which we are aware.

10. We have a process to track the status of audit findings and recommendations.

11. We have identified to you any previous audits, attestation engagements, and other studies related to the audit objectives and whether related recommendations have been implemented.

12. We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to IMLCC, including tax or debt limits and debt contracts; and we have identified and disclosed to you all laws, regulations, and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts or other financial data significant to the audit objectives, including legal and contractual provisions for reporting specific activities in separate funds.
13. There are no violations or possible violations of budget ordinances, laws and regulations (including those pertaining to adopting, approving, and amending budgets), provisions of contracts and grant agreements, tax or debt limits, and any related debt covenants whose effects should be considered for disclosure in the financial statements, or as a basis for recording a loss contingency, or for reporting on noncompliance.

14. The entity has complied with all aspects of contractual or grant agreements that would have a material effect on the financial statements in the event of noncompliance.

15. We are responsible for determining whether we have received, expended, or otherwise been the beneficiary of any federal awards during the period of this audit. No federal award, received directly from federal agencies or indirectly as a subrecipient, was expended in an amount that cumulatively totals from all sources $750,000 or more. For this representation, “award” means financial assistance and federal cost reimbursement contracts that nonfederal entities receive directly from federal awarding agencies or indirectly from pass-through entities. It does not include procurement contracts, user grants, or contracts used to buy goods or services from vendors.

16. We have followed all applicable laws and regulations in adopting, approving, and amending budgets.

17. The financial statements include all component units as well as joint ventures with an equity interest, and properly disclose all other joint ventures, jointly governed organizations, and other related organizations.

18. The financial statements properly classify all funds and activities.

19. All funds that meet the quantitative criteria in GASB Statement Nos. 34 and 37 for presentation as major are identified and presented as such and all other funds that are presented as major are particularly important to financial statement users.

20. Components of net position (net investment in capital assets; restricted; and unrestricted) and equity amounts are properly classified and, if applicable, approved.

21. Deposits are properly classified as to risk and are properly valued and disclosed.

22. We have appropriately disclosed the entity’s policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position is available and have determined that net position is properly recognized under the policy.

23. As part of your audit, you prepared the draft financial statements and related notes. We have designated an individual who possesses suitable skill, knowledge, and/or experience to understand and oversee your services; have made all management judgments and decisions; and have assumed all management responsibilities. We have evaluated the
Interstate Medical Licensure Compact

adequacy and results of the service. We have reviewed, approved, and accepted responsibility for those financial statements and related notes. We have also ensured that the entity’s data and records are complete and received sufficient information to oversee the service.

24. We understand that as part of your audit, you prepared the adjusting journal entries and we acknowledge that we have reviewed and approved those entries and accepted responsibility for them. We have also ensured that the entity’s data and records are complete and received sufficient information to oversee the service.
