  - Modify the draft Bylaw and refer the modified version to the Rules & Administrative Procedures Committee with a request to initiate the rulemaking process; or

- **Discussion Item** – Committee work and ideas – Commissioner Bohall
  - Should the Executive Committee charge the Rules & Administrative Procedures Committee with the task of reviewing and discussing the following matters:
    - Committee assignment and leadership –
      - Historically, each commissioner is assigned to a committee. Should this tradition continue?
      - Should Committee Chairs be able to select a Vice-Chair? Should the Commission Chair be able to select a Vice-Chair for committees?
      - Should Commissioners who fail to attend meetings regularly be removed from committee assignment? Should criteria be developed for removal due to lack of participation?
    - Consider establishing the following committees as “established” committees as permitted by IMLC Bylaws, Article VII, Section 2 or “special” committees created with their own article in the Bylaws:
      - Hospitality & Annual Meeting Committee, with the purpose to assist the executive director in planning and logistics of the annual meeting, made up of the executive director, Commissioners from the host state and Commissioners from the immediate past host state.
      - Engagement & Participation Committee,
with the purpose of finding ways to improve commissioner participation, filling the unassigned commissioner slots, and assist the executive director in the onboarding process for new commissioners.
